SFPIRG Board of Directors  
Simon Fraser University  
8888 University Drive  
Burnaby, BC V5A 1S6

Dear SFPIRG Board:

We have received and reviewed your letter collectively as a board, dated June 7<sup>th</sup> 2018. While there may have been disagreements between us regarding many of the points that you have raised in this and previous letters, we cannot afford the time and resources into furthering this debate. We remain firm on decisions that were made regarding the allocation of space in the SUB.

Decisions regarding the allocation of space in the SUB were based entirely on recommendations of the student society's Board of Directors. We feel it is also important to note that our CEO only reports and makes recommendations to the Board of Directors - it is the voices of the sixteen elected student leaders that make decisions on behalf of students for the SFSS. Your suggestion that our CEO has been inappropriately manipulating student leaders on our Board of Directors is not valid, and is disrespectful to our organization – especially to our student leaders. We hope that you come to understand this decision and can find a way moving forward to build a better relationship with the student society that is based on mutual respect and clear communication.

We understand that you will “no longer be seeking long-term space” from the Simon Fraser Student Society. We wish you the best of luck in your future endeavors.

Sincerely,

Jas Randhawa  
President
