

Over the years, SFPIRG has grown into an established organization that provides students with a place to apply their knowledge in their personal lives and in the community at large.

SFPIRG MEMBERSHIP

SFPIRG is a student-funded non-profit organization, autonomous from both the University and the Student Society. We receive \$3 each semester from each full time student and \$1.50 from each part time student. Therefore, after paying their student fees, all students are members of SFPIRG and can use the resources available through our office. Non-students can also become (associate) members of SFPIRG and get involved with us. We realize that not everyone believes in the goals of SFPIRG so we do offer students the ability to revoke their membership. We offer a fee refund period the 4th week of each semester.

VOLUNTEERS

Volunteers are involved at all levels of SFPIRG, from project coordinators, Action Group members, library volunteers, Board members, bicycle mechanics, researchers, committee members, design assistants and more!

CONSENSUS DECISION MAKING

SFPIRG uses consensus decision making as a basis for our work. It is a philosophy that works to include everyone's input into decision making processes. We also offer workshops on consensus and how to run effective meetings.

MORE DETAILS ON THE BOARD OF DIRECTORS

WHAT DOES THE SFPIRG BOARD DO?

The SFPIRG Board of Directors can legally be comprised of between 3 and 9 individuals, but the minimum target is 7. Most often, Board members are students from SFU, but staff, faculty and community members are also encouraged to apply. A maximum of 2 members of the board can be non-students. INCLUSION & ACCESS IS A PRIORITY AT SFPIRG

SFPIRG is working towards inclusiveness in its membership at all levels particularly the Board. These include, but are not limited to women, people of colour, people with dis/abilities, queer and trans folk, and others who face systemic barriers to full participation.

HOW MUCH TIME IS REQUIRED?

The Board requires a time commitment, which sometimes varies from week to week, but generally looks like:

- 3-5 hours a week

- One 2 hour meeting or training every other week (must be able to stick to a 'fixed' meeting schedule, which changes at the beginning of every semester).
- Participation in at least one committee

2020 SFPIRG Board of Directors Election Rules and Guidelines

Nomination Eligibility

Acceptance of a nomination by the EO does not guarantee the eligibility of a candidate. If, at a later point in time, a candidate is found to be ineligible, that candidate will be disqualified.

In order to be eligible to be an SFPIRG Board Member, Nominees must be current Members in good standing of SFPIRG. Members include Ordinary Members, which are (from Bylaw 2.1a)) “all registered Simon Fraser University [undergraduate and graduate] students who have paid a Membership fee to the Society in at least one term within the current academic year” who have not opted out of the SFPIRG fee in the current term; and Associate Members (non-SFU students who have paid their annual membership fee). As per Bylaw 2.4b), only two positions are available to Associate Members on the SFPIRG Board. SFU students in their final semester during the elections period (who will not continue to be enrolled as students for the following year) are designated as Associate Members.

Candidates Meeting

The Electoral Officer shall call a candidates’ meeting at the close of nominations, in order to clarify election procedures and requirements. The meeting is mandatory for all candidates. Other meetings may be called by the Electoral Officer, as needed.

Regulations for Candidate Electioning

Candidates may begin campaigning 3 days after the close of nominations.

Candidates who wish to withdraw their candidacy must do so within 48 hours of the end of the nomination period.

Candidates in breach of any of the following rules or guidelines will be subject to disqualification and/or alternate consequences deemed appropriate by the Electoral Officer.

Campaign Materials

No candidates will be permitted to produce their own posters to post on campus. Instead, the Electoral Officer will arrange for the production of a collective candidate poster. Candidates who wish to do so may submit an appropriate photo and a write-up of approximately 200 words to go into a collective campaign poster for all candidates.

In order to inform members, candidates’ answers to a set of standard questions will be available to members. (*See Nomination form for questions.*)

Photos, bios and answers to the questions shall be, at minimum, posted on the SFPIRG Elections website and shall be displayed outside the SFPIRG offices.

The order of appearance of the candidates’ information will be chosen at random.

Candidates may promote themselves via other means, including leafleting and banners.

Candidates shall be allowed to hang a maximum of two approved banners in designated places on campus as well as to produce approved leaflets to distribute on campus. All University regulations must be followed. Campaign materials for the distribution to individuals must be handed directly to individuals.

The use of email or other online methods (including websites, facebook, blogs and twitter) to promote individual candidates is prohibited. Any person, including candidates, may use these electronic means to promote the election in general, including providing a link to the SFPIRG Elections website with more information on each of the candidates.

Candidates found in violation of these rules will be disqualified.

CAMPAIGN EXPENSES

Since publicity will be taken care of by the EO in the form of a collective candidate's poster, candidates will not be given an individual campaign allowance. However, if a candidate feels that there is another form of publicity they would like to use, they may contact the EO to discuss costs and receive permission. A maximum of \$20 may be spent on campaign materials. The costs will then be reimbursed by SFPIRG to the candidate after the election period, providing that expense records and receipts are received by the EO by a deadline determined by the EO. In-kind donations must be included in the \$20 allowance.

MATERIAL REMOVAL

All personal promotional campaign material must be removed by 12:01 am the first day of the polling. Failure to do so may result in disqualification.

ELECTIONS

As per Bylaw 7.1(a) "Except for cases when positions on the Board are not contested, elections shall take place yearly." If there are more than 9 accepted nominations for the Board, the EO shall organize an election. If there are 9 or less accepted nominations, then the Board Members shall be acclaimed to their positions.

Up to two positions on the Board are available to Associate Members (as per Bylaw 2.4(b)). If there are 9 or less accepted nominations, but more than 2 who are Associate Members, then an election shall still be held for Associate Member positions. In this case the Ordinary Member Nominees shall be acclaimed.

If there are more than 9 accepted nominations for the Board, and an election held, only two Associate Members shall be voted in. In the case that more than two Associate Members are within the top nine, then the top two Associate Member nominees that get the most votes will gain positions on the Board, and the next top Ordinary Member candidate(s) will be given the remaining position(s).

VOTING

All voting members may vote for both Ordinary and Associate Member candidates. Each voting Member will have the opportunity to vote for up to a maximum of nine candidates. The top nine

nominees who receive the most votes shall be considered elected to the Board.

VOTING OPTIONS

The Board has chosen balloting via electronic online voting.

ONLINE VOTING

Polling shall be conducted online via SFU's authenticated web survey system. If Associate Members are not able to vote via this or another authenticated web survey system, then they will be able to vote via in-person balloting at the SFPIRG office.

IN-PERSON BALLOT VOTING

POLLING STATION ATTENDANTS

Two people per polling station shall be hired and will oversee that polling station for the duration of polling. Polling station attendants must ensure that the voting booth is clean and free of campaign materials and must make sure ballots are on hand.

POLLING

All voting Members must show eligibility to vote. As stipulated by bylaw 7.5 (c) "The voting period shall be no less than sixteen (16) hours over no fewer than two (2) days..." And by bylaw 8.3 (b) "Voting shall take place at polling stations across campus, or in any other places and ways deemed appropriate by the Board."

CASTING BALLOTS

Voting shall be by secret ballot. Ballot boxes shall be used and shall be sealed during the polling period. Outside of polling hours, ballot counting and until all appeals have been concluded, the ballot boxes shall be in the custody of the Electoral Officer.

Waivers shall be provided at each polling station that outline needed accommodations for students with visual impairments. In the case that a student with a visual impairment wishes to vote, the student may vote via an assistant who must sign the waiver provided. That waiver must be submitted to a polling station attendant to be kept on file until the ballots are destroyed.

SCRUTINEERS

Candidates for the Board are entitled to have scrutineers present during voting hours and during the counting of the ballots.

POSTING OF RESULTS

The Electoral Officer shall post the results of the election within 48 hours after the closing of the polls on the SFPIRG elections website.

APPEALS

The members of the incumbent Board who have not been nominated in the election shall constitute an appeal board for: the decisions of the Electoral Officer as to the eligibility of Nominees; and for

complaints from any Member. Appeals must be filed with a member of the appeal board within four days after the close of polling. Appeals must outline the nature of the complaint and be signed by the Member submitting it.

After a hearing, the appeal board may order a new election to be held or make any such order as it deems necessary; its decision shall be final. If there are no incumbent board members, then the EO shall form a committee of three SFPIRG volunteers or previous Board Members who will constitute an appeal board.

RESULTS

In advance of balloting, the EO may advise voters of how the votes are to be counted; however, after the counting is complete, the number of votes received by each candidate shall not usually be publicized. The EO, Board, and candidates shall see the full voting results in order to ensure that the election was properly counted, and any candidate may call for one recount before the announcement of the results. The names of elected candidates shall be announced in alphabetic or random order, and the election shall be declared closed.
